World Communion Sunday _____ United Methodist Student Day _____

We are in covenant with a Campus Ministry at _____ either as a Campus Ministry Partnership Church or as a Campus Ministry Designated Church.

Campus Ministry Partnership of Designated Churches invites campus ministers and campus ministry into a special relationship or connection with the local church. Examples include: hosting a Campus Ministry Sunday; inviting a campus minister to preach and/or to serve Holy Communion; local church attendance and participation in campus ministry weekly activities and special events; actively promoting and connecting college students with campus ministers and ministries wherever they attend; and financial support beyond the apportionment.

We have provided to the Conference Director of Campus Ministries a list of our college/university students, including their names, addresses, and phone numbers. We encourage our high school students to visit Wesley Foundations or Methodist-related campus ministries as they visit prospective college campuses.
