Prayer & Fast: July 4–10' 2010**

**Please post and have as many people as you can sign up for 60 minutes of prayer each on behalf of all Clergy in Arizona who are ministering to immigrants.**

The anti-immigrant legislation passed in Arizona calls for us to respond prayerfully and with action. SB 1070 goes beyond what is in federal legislation and will give a high likelihood to racial profiling.

It will criminalize people of faith who provide transportation or who "shield" in a building any undocumented person.

This legislation will make it illegal for United Methodists and other clergy in Arizona to give the undocumented immigrants a ride to church or to care for them within their church buildings.

The Isaiah 58 National Solidarity Vigil and Fast for Arizona will consist of weeks of rolling prayer.

For one week people of all faiths will pray 24 hours a day, with one hour, per day focused on corporate prayer as a public witness against the harsh measures in the Arizona law. In signing up to pray for a 60-minute slot, this will be a statement that participants can use to send to state and federal elected leaders.
